Varalakshmi Pooja is one of the sacred festivals observed by scores of married women across India. Pooja, songs and chanting of shlokas are some of the main highlights of the festival. Goddess Lakshmi is considered to be the embodiment of beauty, knowledge, prosperity and fortune. She is the consort of Lord Vishnu and is called as Varalakshmi or Mahalakshmi. Though every day we can seek the blessings of Lakshmi, people believe Fridays are the best days to propitiate Goddess Lakshmi. Shlokas, Mantras, Stothras and songs are verses or hymns in the praise of the Goddess. These are essential part of the Hindu prayers. These verses create positive energy and are believed to be a means to fulfill one's desires. Here is a collection of popular Lakshmi Shlokas, Mantras and Stothras that you can make use of to chant on the festive days in the honor of Goddess Lakshmi.
